

March Newsletter

Director's Note

At Family Promise, we believe that small acts of generosity add up to big change for local families. Club 307 is our special giving circle for those who commit to donating \$307 a year—whether monthly, quarterly, or annually—to support families facing homelessness.

What can \$307 do for a family? It can:

- Provide *a week of shelter* for a family in transition
- Stabilize a family through *rental assistance*
- Supply essential items like *diapers, hygiene products, and kids clothes*
- Fund *individualized case management* to help families regain stability and connect with community partners.

This March, when you join Club 307, you'll receive an exclusive membership sticker as a token of our appreciation!

Together, we can make a lasting impact—**one family at a time**. Thank you for being part of the Family Promise Team.

Upcoming Community Events

Family Promise Giving Day April 22nd

Get ready for National Family Promise Giving Day this April! We are looking for those who support and love our mission to pitch in towards a **stronger community!** First time donors, loyal donors, and local businesses can make a huge difference in **keeping families**

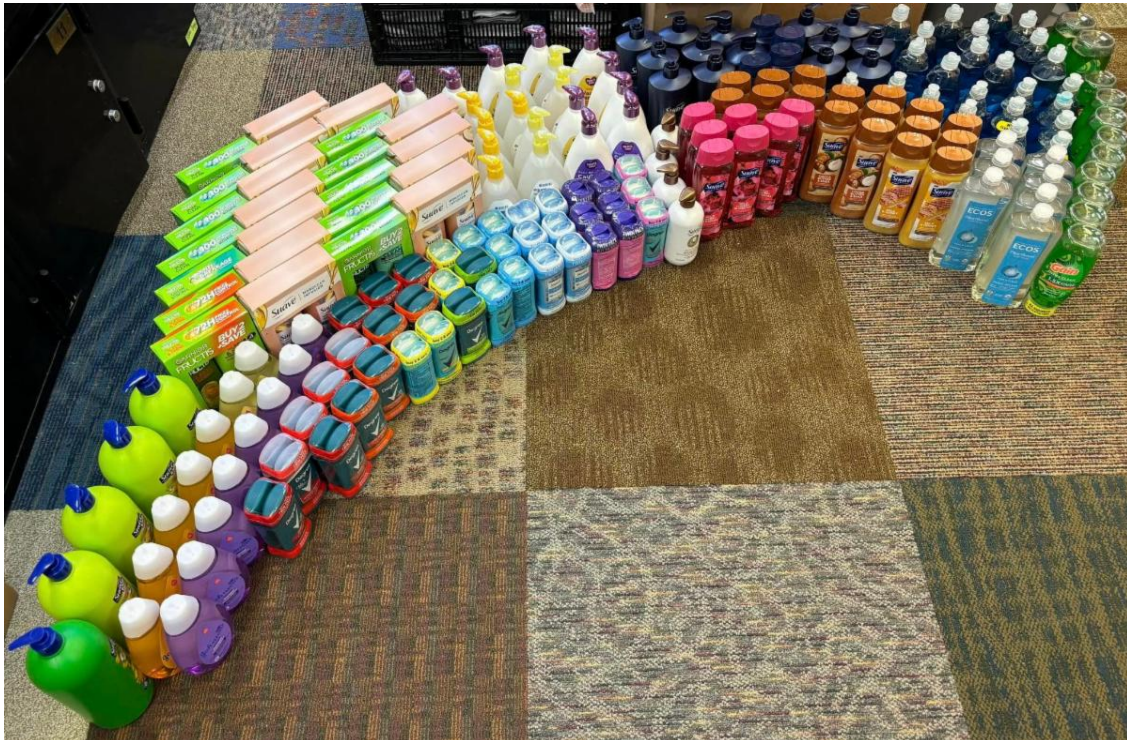

united - in their homes!

Thanks to Our Community!

Thank you to Laramie Range Ford!

Laramie Range Ford is one of our biggest sponsors and supporters! This last month they donated **\$1,000 of hygiene items** to our diaper and hygiene pantry, which provided, and will continue to provide hygiene essentials to so many families in our community!

Thank you SLCE

We had an extremely successful Service Saturday with UW students from SLCE! They sorted more clothes than we hoped, or could have dreamed. We are almost completely done with sorting clothes, and will soon be able to move our diaper and hygiene pantry upstairs! Thank you SLCE staff and **all 13 volunteers who attended** to make an impact on our community!

Thank you to the LDS church

This last month we were fortunate and

appreciative to partner with the LDS church to feed a family in our shelter program! We are thankful for the help provided from so many individuals who **cooked homemade meals for our family**. The food provided allowed this family to focus on getting back on their feet during a turbulent time.

Volunteering Opportunities
