Mobile Diaper Pantry Update

We have recently conducted a comprehensive inventory assessment of our diaper stock and also coordinated with various organizations to obtain their respective counts. This effort is aimed at facilitating the timely placement of a diaper order. We are pleased to inform you that we will be engaging in a collaborative initiative with multiple organizations in Laramie in order to get a supply of diapers.

We have initiated a project to revamp our logo, which will be undertaken by the proficient team at American Paintbrush. In addition, we express our gratitude to Laramie Connections for their valuable assistance in installing shelving within our trailer. A scheduled meeting with them will enable us to assess our supply requirements accurately.

Stay tuned for progress pictures soon!
