Diaper and Hygiene Drives

We have been fortunate in the last few months to have received diapers and hygiene items from the Laramie Kiwanis Club, the Laramie Girls Basketball Team and everyone else that helps provide supplies for our Diaper and Hygiene Pantry!

UW SparkTank

We are a finalist in UW Ethics Club SparkTank!

UW SparkTank is a philanthropic event hosted by the UW Ethics Club. SparkTank's goal is to help provide local non-profits with funding for their organizations and projects. It also provides UW students with an opportunity to be involved in philanthropic events. We made a video for SparkTank, watch it *here!*

We need a Clayton Grant Match!

This grant was awarded as part of A Future Begins Home, a collaboration between Family Promise and Clayton focused on preventing family homelessness. Clayton is committed to opening doors to a better life and building happiness through homeownership. For more information, visit www.claytonhomes.com.

If we match \$5,000, we will get the remaining \$3,750 from the grant. This funding allows us to fight homelessness in the Laramie community by providing rent and utility assistance as well as housing stabilization. This allows families to move into sustainable, independent housing.

Gala Recap

We want to give a special thank you to every sponsor who made our 6th Annual Spring Trattoria Promessa possible! The event was successful and we are so glad that we get to participate and host this event each year.

We also want to extend our thanks to WyoTech and all of our volunteers for helping our event run so smoothly.

We are in the process of awarding all of our church partners with plaques as a thank-you for all of their support and donations! Here is a highlight of a few of our supporters with their plaques. If you have any questions please feel free to reach out to us!
